**GEOHERMAL GRANT AND LOAN PROGRAM
(also known as the GRDA Program)**

The purpose of this addendum is to provide access to the Attachment-05 Budget Form instructions within that form. The updated Attachment 5 has those instructions unhidden.

For those who would prefer not to download the updated form, but still need help accessing the instructions, they can be accessed by opening the Attachment-05 document, and 1) right-clicking on any of the tabs showing at the bottom of the document, 2) selecting "Unhide", 3) selecting "Instructions" and, 4) left-clicking on "Ok."

This process can also be used to unhide other sheets as necessary for additional Major Subcontractors.
